Natalie Yeoman

Natalie has raised over \$4,181! She was also our ambassador for the Relay For Life for 2020 and this year and has done an exceptional job getting people behind Relay Your Way. She hosted a wonderful event at her house and encouraged everyone to walk her favourite track up Pine Hill to the Dunedin city lookout.

Best Dressed Team

Dunedin Ramblers

The Dunedin Ramblers who are weekly Wednesday walkers really got behind dressing up with their team. It was so great to see them all dressed up in purple and pink when they did their weekly walk around the harbour.

Most Creative Relay Idea

Nicky Swift

Nicky our co-ambassador with Natalie could not walk the Routeburn track like she planned. We loved hearing that she managed to still challenge herself and walk over 35km around Dunedin over the Otago Anniversary weekend while still going through chemotherapy! It was great to see her think outside the box of how she could be involved with this great event.

Best Spirit of Relay

\$100 Mitre 10 MEGA voucher

Zumbuddies

The Zumbuddies team really got into the spirit of Relay by walking together out in Outram from 8am - 8pm and other team members walking up and down St Clair beach. They also had a stall raising funds while they walked, which was well supported by the community! They have raised over \$6,400 so far.
